ADVANCE# 3022034

IMAGINING THE YEAR 2021 AFTER A YEAR OF SO MUCH UNCERTAINTY, YET WE HAVE HOPE THAT VACCINES OR NOT, JESUS CHRIST IS TOTALLY IN-CHARGE OF OUR EVERY MOVE AND STEP IN THE WAY.

As we end the first quarter on 2021, Barbra and I are so grateful to God for all your prayers and financial support which has enabled us to continue being in mission as Global Ministries Missionaries assigned to the Belize/Honduras District of the Methodist Churches in the Caribbean and Americas. As of you may be aware that, as Global Ministries Missionary, I serve 2 Methodist congregations, 2 Methodist Schools and 1 Methodist clinic as Pastor and Trainer here in Corozal town in northern Belize.

What a joy it is to be the hands and feet of our Lord Jesus here on earth as we serve God and serve God's people around the world and particularly in these communities.

Your partnership and support to us through Global ministries has always been such a great blessing not only to us, but also to those we serve here in the nation of Belize.

The year 2020, will indeed go down in our history as a year that brought the world to a stand-still.

We learned new words in our vocabulary that relates to the Covid-19 pandemic, we could not freely move or work, or even do things in our usual ways, but we also learned to trust God for every minute of our lives. All a sudden; the things that we took for granted became a luxury and a privilege. Yet, we have hope that in all these situations, Christ is the Lord indeed, and I am can't wait to see He has in store for 2021.

THINGS TO LOOK FORWARD TO IN THIS NEWSLETTER:

- 1). Our (the Mulemenas) mission as Missionaries in Belize, Central America.
- 2). The update on what God is doing through us and in us, with your support.
- 3). Your Partnership and Support is dearly cherished, THANK YOU.

As Covid-19 came on the scene and we could not worship together in our Church buildings in-person, the Lord used the occasion to teach us that we can still be in ministry to one another virtually through technology, and we also started an exciting ministry of providing food/groceries support to families that have been badly affected economically by the effects of COVID-19 in our communities. Since April 2020, we have been able to support 147 families monthly. These are families that would otherwise, not be in a position to sustain themselves without support.

This September, Schools will be opening for in-person classes and our students will return to class for the first time since March 2020. It is indeed such an excitement to hear the government announcing that, at the same time most of our students would have no abilities to provide school supplies since most of these families are experiencing economic challenges. We are asking for your prayers and support as we hope be proving educational support to these students and if you have any such support (backpacks, books, pens, pencils, erasers, rulers, typing sheets, shoes, etc), please let us know.

As the world steadily opens up after the COVID-19 related restrictions; 1). We invite all of you to mobilize teams from your Church/family or community to come and serve with us here in Belize, and you will love it.

2). Also pray for the well-being of our communities and the growth of our ministries here.

3). Pray for my family and our Churches as we as we become the true Ambassadors of Christ.

Groceries to families affected by Covid-19 and family whose house was burned.

The Lenten experience through

Easter at Corozal.

With sincere hearts Barbra and I would love to say **THANK YOU**. Thank you for your continued prayers and financial support that we have been receiving as we serve here in Corozal, Belize.
